## Strategic Programme Board June 2022 Update

**Welcome to the first edition of the monthly Strategic Programme for Primary Care (SPPC) e-newsletter.**

### NEWS

**Mental Health and Wellbeing:** First round of presentations arranged to present the draft national report to Directors of Primary & Community Care, National Primary Care Board, Vice Chairs and Mental Health Network Board – look out for virtual engagement events being planned across Wales over the summer period to share this work.

**Greener Primary Care: Framework and Award Scheme** was officially launched on 8th June you can watch the webinar clicking [here](#). And find out more by visiting the [Greener Primary Care Wales](#).

**Cluster Peer Review:** ACD transition year peer review process was supported by the Strategic Programme Board. The peer review is a component of the broader [monitoring end evaluation framework for the Primary Care Model for Wales](#). 2022/23 will be the pilot year for the peer review to test the methodology. **Professor Ceri Phillips** has been confirmed as Chair of the peer review panel. Work is progressing to develop a briefing pack for the pilot sites – more information to follow.

**All Wales Diabetes Prevention Programme (AWDPP)** Work continues across Wales on the implementation of the AWDPP across 14 Wave 1 clusters (92 GMS practices) and to include some clusters who are utilising SPPC funding and other funding sources. The programme was [launched](#) to coincide with Diabetes UK 'Diabetes Awareness' week during the week of 13<sup>th</sup>-19<sup>th</sup> June, which included a visit by the Deputy Minister to Swansea Bay health board to hear from patients and professionals about the Programme. As part of the launch, the [AWDPP Intervention Protocol](#) was also published

### KEY MILESTONES

Work in the SPPC has progressed and remains on track to deliver agreed products. Key deliverables this quarter include:

[Accelerated Cluster development](#) online toolkit was launched, providing information and resources for stakeholders to support the implementation of the ACD programme during the 2022/23 transition year. Included in this toolkit are two illustrations a [roadmap](#) and an overview '[plan on a page](#)' to explain the totality of ACD.

[Cluster Planning Support Portal](#) (CPSP) launched – online resource to support the development of Cluster/Pan Cluster Planning group's annual plans.

The **Community Infrastructure** work is progressing at pace and the key stakeholder group has been established and first meetings held, also set up are the support task and finish groups for:

- Care Home Immunisation Model
- Community Nursing Vision Framework
- Multi Profession and Virtual Ward

[SPPC YouTube channel](#) launched showcasing recordings from events and information sharing videos.
