

What?

is this about

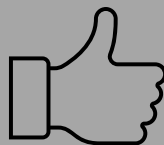

**Reporting
and
Supporting**

Implementation of the
**Primary Care
Model for Wales**
and
**Accelerated Cluster
Development**

Why?

are we doing it

Assurance
of implementation
progress

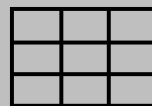

Shared learning
from local experience

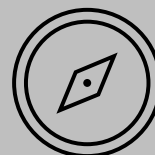

Joining up
of local & regional plans

How?

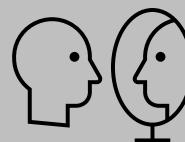

will it work

Framework
defining standards,
maturity levels, evidence

Cluster 360
peer review process

Self-reflection
on cluster experiences

Indicators
of progress towards
outcomes

Who?

will it involve
(& what's in it for them)

Guides IMTP
development

Primary care clusters

Guides
reorientation
of resources

Local health boards

Seamless
place-based
plans

**Regional partnership
boards**

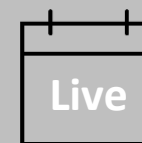

Visibility of
transformation
at pace & scale

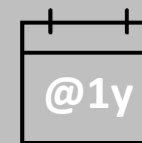

**Minister for Health and
Social Services**

When?

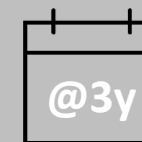

are the key timings

Key indicator dashboard
always available via PCIP

Self-reflection tool
filled out online **annually**

Cluster 360 peer review
once per **three-year**
planning cycle
