

Greener Primary Care Wales Framework & Award Scheme

Be part of the change in 2024

Do you want to do more to help the environment but don't know where to start?

Would you like something that the whole practice can get involved with?

Are you looking to make your business more efficient?

The **Greener Primary Wales Framework and Award Scheme** is a collection of actions to support community pharmacy, community dental practice, community optometry, and general practice to improve the environmental sustainability of their day-to-day practice and to reach the Welsh Government's [Net Zero](#) target.

Why you should get involved:

- Receive a nationally recognised award.
- Professionally developed scheme in its third year of operation.
- You are in control by choosing which actions you'd like to work on.
- Actions are clinical and non-clinical meaning the whole team can get involved.
- Categories cover all areas of your business and can help make your business more efficient, and in some cases save money.
- Endorsed by the Minister for Health and Social Services, the Minister for Climate Change, and the previous Future Generations Commissioner.
- Join others in taking action and learn from your peers about what works and how easy taking action can be.
