

WHAT IS THE STRATEGIC PROGRAMME FOR PRIMARY CARE (SPPC)?

ABOUT THE STRATEGIC PROGRAMME FOR PRIMARY CARE (SPPC)

All-Wales health board-led programme that works in collaboration with the Welsh Government, addressing the emerging priorities highlighted within 'A Healthier Wales'.

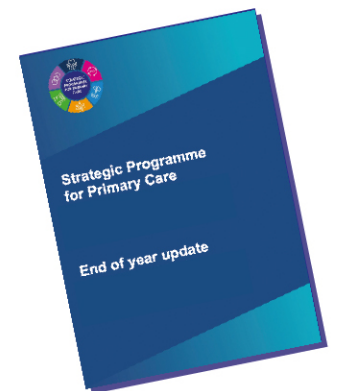

The SPPC coordinates the implementation of the Primary Care Model for Wales, which is the primary care component of placed based care.

SYSTEM COORDINATION

The SPPC works collaboratively with health, social and other partners and stakeholders.

Developing and sharing resources to support and add value to primary care service delivery, on a 'once for Wales' basis.

The SPPC work is coordinated by a Strategic Programme Board and supported by a National Programme Management Office.
